Customer Testimonials for the W28 Digital App

"The reminders/midweek training have made it easy to keep up with practice. **The videos are also excellent**"

"**The app makes it easy** to integrate daily practice/training into the activities of the day."

"The drills/instruction are innovative, reflecting Trevor keeping up with the **latest and best practices.**"

"My son is learning from a person who has **lived the dream** he's trying to live"

"I think the video tutorials, the app, and the video breakdowns add **immense value.**"

"The app **brings everything together** and enhances everything else"

"**Everything is in one** location and I don't have to go looking through emails to find information or remember session times."

"It's cool to **see our son take ownership over his training** and was a great way to encourage extra reps through the week."

"It has been wonderful to see things slowed down and allows my child to specifically see **where the improvements** need to happen."

"The app has been great, allows my son to work on **his skills throughout the week** and not just one day"

"The video analysis and scouting reports are the **enhancement/benefit with the W28 experience.**"

"App has been good. Makes for easy communication and **smooth delivery.**"
